Ithmar - Since 1982

Since the company was established in Amman Jordan, back in year 1983, Ithmar Supply Co. has managed to position itself as a major player in the niche consumer food and consumer products sector in Jordan, and in the MENA regain.

Through its sales channels in the main cities Jordan (Amman, Irbid, Aqaba, Zarqa, Maddabah, Salt ,Aqaba) in addition through its authorized agents in Karak and the Jordan valley in addition by our authorized agents in MENA region, Ithmar Supply Co. is able to supply a wide variety of food and consumer products ranging from organic frozen fruits all the way to natural cleaning products and premium pet food. This is achieved by having a team of highly qualified employees who are able to propose the most suitable products needed, supply in time and offer the after sales service needed at later stages to make sure the end client is satisfied.

Fish from one of the cleanest waters in the world

Frozen Seafood

Why Wild Ocean Frozen Seafood?

we have developed our fish specialities. The cod, saithe and haddock are fished off the coast of Iceland. On the one hand these waters belong to the cleanest in the world, and on the other the Icelandic Fisheries standards are some of the strictest worldwide. They contain a sustainability concept for fishing off the Icelandic coast developed many years ago, which is still unparalleled.
